Our search of GSA records failed to identify any records or files that are responsive to your request. Please be advised, GS-07F-029CA is an Indefinite Delivery/Indefinite Quantity, Multiple Award Schedule contract under FAR 8.4. A MAS contract is a simplified contracting vehicle that allows Federal agencies and other ordering activities

to award task orders against for commercial services or supplies. As these orders placed directly by the using agencies and are not reported back to GSA we do not have any purchase information.

Since the agency does not have any records within the scope of your request, this does not constitute a denial of records. You have the right to appeal the adequacy of our search. To do so, you must write, within 120 days of your receipt of this letter, to the following address:

U.S. General Services Administration  
FOIA Requester Service Center  
1800 F St. NW, Room 7308  
Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reasons why you believe GSA should have the requested information. Enclose a copy of your initial request and a copy of this letter. Both the appeal letter and envelope should be marked prominently, "Freedom of Information Act Appeal."

This completes our action on this request. Should you have any questions concerning this matter, please feel free to contact Ms. Shaloy Castle-Higgins at (817) 850-8450 or by email at [shaloy.castle@gsa.gov](mailto:shaloy.castle@gsa.gov).
